

TRANSFORMING HEALTHCARE THROUGH PERSONALISING VALUE

Forum for clinicians, health systems, patients and industry to deliver Person-Centred Value-Based Healthcare

Draft Programme

Time	Session
7:00-8:00	Registration and Welcome Coffee and PerEmpo Connect Map display.
8:00-8:10	Acknowledge to Country.
8:10-8:40	Lightning Talks: Transforming Healthcare Through Personalising Value.
8:40-9:10	Keynote: Turning Values and Goals into Action: The Person-Centred Value-Based Healthcare-PerEmpo Approach. <i>Insightful presentation on how PerEmpo transforms health care delivery.</i>
9:10-9:50	Fireside chat: Using PerEmpo to Transform Person-Centred Value-Based Healthcare: Voices in Partnership. Patients and Clinicians Reflect on: • Clinicians share examples of when PerEmpo helped them focus on tasks that truly matter to patients rather than administrative or non-clinical work. • Patients reflect on experiences where Person-Centred Value-Based Healthcare made a difference in their care and satisfaction.
9:50-10:20	Networking Coffee Break.
10:20-11:05	What People Want, What Systems Need: Driving Cost Efficiency Through a Person-Centred Value-Based Healthcare Economic Lens.
11:05-11:50	Panel Discussion: Implementing Person-Centred Value-Based Healthcare and PerEmpo Across Organisations and Departments: Strategy, Skills, Resources and Culture.
12.00-13.00	Lunch.

TRANSFORMING HEALTHCARE THROUGH PERSONALISING VALUE

Forum for clinicians, health systems, patients and industry to deliver Person-Centred Value-Based Healthcare

Draft Programme

Time	Session
13.00-15.00	<i>Workshops Round 1 (These workshops will be delivered twice, enabling participants to select two to attend).</i>
<i>Workshop 1</i>	Uncovering Patient Flow: Using Process Mining to Identify Bottlenecks and Inefficiencies in Care Systems.
<i>Workshop 2</i>	Measuring What Matters: A Practical Guide to Improving Care Efficiency.
<i>Workshop 3</i>	Developing Communication Skills to Enable the Effective Use of PerEmpo.
<i>Workshop 4</i>	Developing a Person-Centred Value-Based Healthcare Strategy for Your Organisation.
<i>Workshop 6</i>	Site Visit: Visiting The Royal Melbourne Hospital and Peter MacCallum Cancer Centre to See PerEmpo in Action.
15:00-17:00	Workshop round 2.
17:00-17:10	Closing remarks.
18:00-19:00	Guest Speakers and Invited Guests Drinks Reception.
20:00 onwards.	Event Dinner for All Attendees.

TRANSFORMING HEALTHCARE THROUGH PERSONALISING VALUE

Forum for clinicians, health systems, patients and industry to deliver Person-Centred Value-Based Healthcare

Draft Programme

Time	Session
8:00-8:30	Registration and Welcome Coffee and PerEmpo Connect Map display.
8:30-8:45	Opening Remarks.
8:45-9:30	Harnessing Data and Technology to Unlock Value in Healthcare. • Tackling system bottlenecks and reducing low-value care. • Enabling the workforce to work at their full potential.
9:30-10:15	From Barriers to Impact: • Evaluating Nurse-Led Person-Centred Value-Based Healthcare approaches. • Person-Centred Value-Based Healthcare implementation in intensive care. • A controlled study across renal and respiratory units exploring cost of care and shared decision-making.
10:15-11:15	Networking Break with Interactive Poster Showcase. Invite poster submissions that cover work from our partners that reveal the details behind projects that have supported their Transforming Healthcare and PerEmpo implementation.
11:15-11:45	The Opportunity in Life Science Research and Development to Personalise Value.
11:45-12:30	Putting this into practice: Collaboration between AbbVie and Peter MacCallum Cancer Centre.
12:30-13:30	Lunch.
13:30-14:15	Advanced Analytics: Turning PerEmpo Data into Predictive Insights. <i>Using AI and machine learning on PerEmpo data to inform care preferences.</i>
14:15-15:15	Spark Session. <i>Mixed teams brainstorm solutions, interventions, or tools to accelerate PerEmpo adoption and address bottleneck and workforce challenges. Ideas are then pitched back to the audience.</i>
15:30-16:00	What's Next and Closing Remarks.
